

Arm yourself against the flu this season

Get your flu shot at an onsite event

Flu season is here, and the best way to help protect yourself is by getting a vaccine. Getting a flu shot may help lower your risk of needing a doctor visit for the flu by up to 60%¹ – and it may help keep others safe too.

Registration opens Sept. 01, 2023

GARDNER BETTS JUVENILE 2nd Floor Conference Room
Tuesday, Oct. 31, 8 am. to 1:30 pm.

It's 100% covered by your health plan

Your flu shot is covered 100% when you get it at a sponsored onsite flu shot event or from a network provider. If you choose a convenience care clinic for your flu shot, be sure to confirm the clinic is in network and bring your health plan ID card.

Questions?
