

COMMUTE RESOURCES FOR EMPLOYEES AT 5501 AIRPORT

Construction at 5325-5335 Airport is planned to start on December 15, 2018 and continue through mid-2020, which will allow limited employee parking at 5501 Airport Blvd. Here is a resource sheet for employees for work transportation/parking options and key contacts.

OPTION	LOCATION	DETAILS	RESPONSIBILITY
PARK NEARBY AND SHUTTLE	6301 E US 290: in front of former Virginia College building, adjacent to US 290 frontage road heading east from I-35 toward Manor	County-provided shuttle every 15 minutes or better between 6:30 and 8:30 am; less frequent service between 8:30 am and 4:15 pm	Travis County will provide parking and shuttle
TAKE PUBLIC TRANSIT	North Lamar Transit Center at US 183 and Lamar; Capital Metro Red Line Highland Station at Airport Blvd and Highland Mall Blvd	From North Lamar Transit Center, take Route 350 to 5501 Airport; from Highland Station, take County-provided shuttle	Travis County will provide shuttle and transit passes
CARPOOL/ VANPOOL	Vanpools park on-site at 5501 Airport; carpools may park on-site only if carpool driver is eligible for on-site parking	Employees are able to form carpools on their own or vanpools through Capital Metro	Employees form carpools or vanpools; departments will manage specific assignments to on-site parking spots
TELEWORK OR FLEX SCHEDULE	Remote or on-site	Policy is available on Travis Central → HRMD	Departmental management will determine eligibility for telework or flex schedules
