

# Support for specialty care

## Are you or a family member faced with an outpatient surgery or a specialty care procedure?

Specialist Management Solutions (SMS) is here to help provide ongoing support and guidance every step of the way. And it's available as part of your health plan benefits administered by UnitedHealthcare, at no additional cost.

**For outpatient surgery or specialty care, such as women's health; gastrointestinal; ear nose and throat (ENT); and orthopedics, an SMS Care Advocate can help:**

**Locate lower-cost care options**

**Schedule consults with a provider**

**Recommend other benefit programs**

**Offer guidance at every step**

### We're here for you
